End of history - Wikipedia

End of history is a political and philosophical concept that supposes that a particular political, economic, or social system may develop that would constitute the end-point of humanity's sociocultural evolution and the final form of human government. A variety of authors have argued that a particular system is the "end of history" including Thomas More, playwrights, Karl Marx, Vladimir Solovyov, Alexandre Kojève, and Francis Fukuyama in the 1990 book, The...
